

How to get to Alcee Fortier Hall

[Alcee Fortier Hall](#)¹ is located near the intersection of Freret Street and McAlister Drive. To reach the building, walk through the Stern Hall breezeway and past the Israel building then turn right. Alcee Fortier Hall will be directly in front of you.

Some metered parking is available on the Tulane and Loyola campuses. The metered Tulane spaces are located in various places on campus, and are limited to short time intervals. Loyola's metered spaces are located on North Road near their parking structure. From Freret Street, you turn as if going to the parking garage (visible from the street), then turn right at the second stop sign.

Free parking is available at Tulane's [University Square](#)² located on Broadway where it meets the river. There is a [shuttle](#)³ that runs from University Square to the uptown campus. The shuttle will pass the rear of Alcee Fortier on the way to its stop at Law Road and Freret. Follow the sidewalk that passes under Percival Stern Hall. It will curve onto the campus, and Alcee Fortier Hall will be on your right.

There are two bus routes that pass by Tulane's campus near Alcee Fortier Hall. One is the Freret Street [bus](#)⁴ and the other is the St. Charles [bus](#)⁵/streetcar. The Freret bus will drop you off on Freret Street near the library. The St. Charles bus/streetcar will drop you off outside Gibson Hall.

Bicycle parking is available in front of Alcee Fortier Hall.

Front View of Alcee Fortier Hall: Law Road is located behind the building. The Israel building and Percival Stern Hall are to the right. Gibson Hall is to the left.
