

Choosing Your Federal Stafford Lender 2007-08

IMPORTANT!!! You have been offered a Federal Stafford Loan, and as a first time borrower at Tulane you should read and complete this form and send it back to the University Financial Aid Office. Failure to return this form will result in a delay of processing your student loans.

Tulane offers a streamlined loan application process. Through this process information from the student's aid application is transmitted electronically when a student accepts an offer of Federal Stafford Loan and selects the streamlined process. After a loan has been guaranteed, participating lenders send the funds by electronic funds transfer and the funds are credited to the student's account. During your Tulane career, we will continue to process your eligible Stafford loan with the same lender unless you notify us otherwise.

***** Students should review the "How to choose a lender" section of our website, select a lender, e-sign the Master Promissory Note (MPN) at the lender's web site, and complete the on-line Entrance Interview session requirement. All weblinks can be found on our website at www.finaid.tulane.edu.*****
