

## Choosing Your Federal Stafford Lender 2008-09

**IMPORTANT!!!** You have been offered a Federal Stafford Loan, and as a first time borrower at Tulane you should read and complete this form and send it back to the University Financial Aid Office. Failure to return this form will result in a delay of processing your student loans.

Tulane offers a streamlined loan application process. Through this process information from the student's aid application is transmitted electronically when a student accepts an offer of Federal Stafford Loan and selects the streamlined process. After a loan has been guaranteed, participating lenders send the funds by electronic funds transfer and the funds are credited to the student's account. *During your Tulane career, we will continue to process your eligible Stafford loan with the same lender unless you notify us otherwise.*

**\*\*\* Students should review the "How to choose a lender" section of our website, select a lender, e-sign the Master Promissory Note (MPN) at the lender's web site, and complete the on-line Entrance Interview session requirement. All weblinks can be found on our website at <http://www.tulane.edu/~finaid/idxlearnaboutyourlender.htm> \*\*\***
