

Русский язык 101  
Урок 4.3-4.4  
Расписание работ

For **Friday October 26.**

Please write M, O, П, 4.3 workbook.  
Write what grades you expect in your classes this semester.  
E.g. Русский язык: пятёрка. Политическая наука: тройка.

Practice the prepositional:

1. I really like to read about literature and music. (105)
2. I love music but I can't play the piano or the violin [скрипка] (105).
3. Irina and Maria are talking about America and about the university.
4. "Where are my books?" "They are on the shelf or on the desk."
5. "Where's Vova?" "I think he's outside."
6. The city of New Orleans [город Новый Орлеан] is located on the Mississippi River (152).  
Sasha is at [в] the university, Sergei Petrovich is at a concert (151), and the Amazon river is in South America (151).
7. I play the guitar, the flute, and the piano.

Turn the above sentences into the past tense. See grammar, p. 153-4.

**4.4** Responding to compliments (162). Double negatives (163). Prohibition with *нельзя*. Permission with *можно* (163-4). The reflexive verb *учиться* (164).

ещё не очень	not very (well) yet
у меня нет никакой практики	I don't get any practice
я никогда не работаю	I never work
на русском факультете	in the Russian department
на факультете журналистики	in the journalism school
всегда есть работа	there's always work
я ничего не знаю	I don't know anything

никто меня не любит	no one loves me
я никого не люблю	I love no one
я нигде не работаю	I don't work anywhere
неплохой опыт	good experience
учИться Учатся	to be in school, go to school
можно задать вопрос	may I ask a question
зато	on the other hand

For **Monday, October 29.**

Study Lena and Jim's conversation, p. 161. Glance, too, at the meeting of Alcoholics Anonymous, p. 160.

Do А, Б, В, Д, Е, 4.4, with А in full sentences for submission. Study the conjugation of учиться. Why doesn't the 3<sup>rd</sup> pl end in -ят? The past tense is учИлся учИлась учИлись – the gender marker comes before the reflexive particle. So we have the following analysis:

уч-	stem
-и-	theme vowel, 2 <sup>nd</sup> conj
-л-	morpheme of past tense
-#	zero; masc gender
-ся	reflexive affix, form used after a consonant
or	
-уч	stem
-и-	theme
-л-	past tense
-а-	feminine
-сь	reflexive, form used after vowel

For Tuesday, October 30. Please do Ж, И, М. Do Н and О for submission.

For **Wednesday, October 31.**

Review for quiz 4.3-4.4. Review the genitive (see previous lesson), past tense, also vocabulary. Be ready to write about what you did recently, what languages you speak, things you have and things you lack, grades you expect; geography; giving and receiving compliments. Know vocabulary.
