Open to the public

Department covering lecture reception, graduate lunch, accommodation, most of honorarium

Often discussion about whether to cover faculty foods

Discussion that department is adding a lot of funds to overall event, however not as much to the funds is going to the students as the faculty/speaker and is excluding majority of grad students

All students attending are 2nd year masters students

Good opportunity to casually interact with faculty and speaker

Suggestion to fund the grad student seminar and students at dinner instead of dinner

Motion to vote on speaker and ARHS event as a slate: 0 opposed/abstain, 37 approve

Motion to approve slated items: 0 opposed, 2 abstain, 35 approve – Motion passes
