

Samuel Wilson, Jr. Papers

SOUTHEASTERN ARCHITECTURAL ARCHIVE COLLECTION 2

Papers and drawings
Ca. 1938 - 1975
36 boxes; one flat file drawer

Papers of New Orleans architect and architectural historian, Samuel Wilson, Jr. (1911-1993). Papers include personal correspondence, typescripts of Wilson articles and lectures, and drawings. Drawings include designs for buildings, restoration projects, and sketches and measured drawings of demolished historic Louisiana buildings, including the Delord Sarpy house and Alexandre Baure house, both in New Orleans.

PROVENANCE

Samuel Wilson, Jr. gave the first group of papers to Tulane in the 1960's. Additional papers were given in 1981.
