

Martha Robinson Collection of Louisiana Architectural Views

SOUTHEASTERN ARCHITECTURAL ARCHIVE COLLECTION 25

Photographs, clippings, miscellaneous items
Ca. 1925 – ca. 1973
1 box

Collection consists of photographs, clippings, and other items showing historic Louisiana architecture collected by Martha Robinson (1888-1981). Robinson was active in New Orleans civic affairs and a leading preservationist in the city. A founding member of the Louisiana Landmarks Society, she served as the organization's president from 1958-1962.

PROVENANCE

Views were collected, over the years, by Robinson, and given by her, ca.1975, to Tulane Special Collections, along with her personal papers. The views in this collection were separated from her papers, which are in the Manuscripts Department, and transferred to S.E.A.A. in 1980.
