

# Bayou Lafourche, Louisiana Plantation Plats

SOUTHEASTERN ARCHITECTURAL ARCHIVE  
COLLECTION 29

Maps, crop planting diagram  
1932; n.d.  
2 boxes

Three plats of plantations along Bayou Lafourche, Louisiana. Included are a map of Woodlawn plantation from 1932, a crop planting diagram of Elmfield plantation, n.d., and a map of an unidentified plantation (Woodlawn?).

## PROVENANCE

Records were given to S.E.A.A. in 1984, along with other materials, primarily the papers of Elmina Thibaut. Everything but the plats in this collection were transferred to the Manuscripts Department, Howard-Tilton Library. The Thibauts owned plantations in the Napoleonville, Louisiana area.
