## SOUTHEASTERN ARCHITECTURAL ARCHIVE COLLECTION 71

Illustrations; biographical data; articles (*photocopies*)  
1896 - 1985  
1 folder

Photocopied information about Philadelphia architect Wilson Eyre, Jr. (1858-1944). The copies were collected by Betsy Fahlman while doing research for writing a biography of Eyre. Eyre was architect for two known buildings in New Orleans, the art building and the chapel of the old Newcomb College campus at Washington Avenue in New Orleans. Both of these buildings have been demolished.

### PROVENANCE

Material was given by Betsy Fahlman to Tulane in 1985.
