- We will scan a limited number of book chapters. We will ship our books to you but we will not borrow a book from another library and ship it.

# ILLiad Main Menu

*If you request a book or journal that the library has in print the request will be cancelled and you will be notified.*

- At the Main Menu you can request a journal article, a book or book chapter, etc. Fill out the form with the request information. The PMID is important so please include it if you have it. Let us know by phone if you have a RUSH for patient care. 504-988-2413.
- Requests are taken off during the day and processed usually the same day they are submitted. Turn around time for documents is about 1-2 days, unless an item is difficult to find. Books usually take about a week.
